**NOTICE TO EMPLOYEES - ETHICS RULES**

All employees of the City of Chicago owe their primary business/employment loyalty to the city and its citizens. In addition to the obligation to perform duties in a satisfactory manner, there are various ethical restrictions and obligations imposed by the City. Violation of these restrictions and obligations may result in discipline, up to and including discharge.

**Gifts/Money.** You may not accept any anonymous gift. You may not accept gifts from persons or organizations whose City business you are in a position to affect, with the exception of occasional non-cash gifts valued at less than \$50. You may not accept anything of value intended to influence official decisions or actions, or in return for advice on City business or operations. Any gifts you accept on behalf of the City must be reported promptly to the Board of Ethics.

**Dual Employment.** You may not use City time or City-owned property in any non-City employment or business. You may not use or reveal confidential information gained from City employment. The Chicago Police Department has the right to restrict secondary employment for good cause.

**Interest in City Business.** You may not take part in or influence any governmental decisions in which you have an economic interest. You may not have a financial interest, in your name or in the name of any other person, in any contract, work or business of the City. Such a financial interest can include being an employee or consultant in any City business undertaken by an immediate family member.

**Property.** You may not engage in or permit the unauthorized use of City-owned property. You may not have a financial interest in the purchase of City property unless it is sold through public, competitive bidding.

**Relatives.** You may not hire or advocate the hiring of relatives for jobs with the City agency where you are employed. You may not supervise or involve yourself with any City contract that benefits a relative.

These obligations and restrictions are set forth in detail in Chapter 2-156 of the Municipal Code, and in the Personnel Rules of the City. This Notice is intended to describe some of the more common situations covered by the ethics rules; it is not a substitute for a review both of Chapter 2-156 and the Personnel Rules. If you have any questions about your ethical obligations, contact the City of Chicago Board of Ethics, 744-9660.

I hereby acknowledge receipt of a copy of the foregoing notice this \_\_\_\_ day of 28 MAR, 1996.

PERSONNEL ORDER NO. 73-96

The POLICE BLUE STAR AWARD is conferred upon PATROLMAN VICTOR BRESKA, Star 5325, 12th District, who on 10 March 1973, sustained a serious injury in the direct performance of police duty.

On 10 March 1973 at 0220 hours, Officer Victor Breska and his partner, while on patrol, heard three shots fired in the vicinity of 21st Place and Halsted. They turned the corner, where they saw two men crossing the street, and ordered them to stop. One suspect complied, but the second man fled with Officer Breska in pursuit.

When the fleeing man, later identified as Apolonio Aleman, had run a short distance, he suddenly turned and fired two shots at Officer Breska, striking him in the lower right leg. Aleman was subsequently wounded by Officer Breska's partner and placed under arrest.

## City of Chicago Policy on Residency as a Condition of Employment

In order for a City employee to be most effective, he or she must identify with the needs and aspirations of the residents of the City of Chicago. This sense of identification can only be accomplished if the employee is, in fact, an actual resident of the City. As a City resident an employee participates directly in the activities of a neighborhood of the City. This participation and commitment is essential to the development of a strong sense of public service as it relates to the citizens of Chicago. It has been and will continue to be a requirement for City employment that all employees of the City, irrespective of status, shall be actual residents of the City of Chicago. This policy is stated in Section 25-30 of the Municipal Code of Chicago, the Rules of the Department of Personnel and other departmental rules or labor contracts governing particular classes of employees. It is essential that this policy be applied uniformly to all employees in all departments. It is the responsibility of every department head to ensure that this policy is carried out. A department head shall take immediate action for the discharge of any employee not in compliance with the requirement that he/she be an actual resident of the City of Chicago.

Any request for assistance in the implementation of this policy should be directed to the Commissioner of Personnel.

For your information, an opinion of the Corporation Counsel states in part: "...actual residence has been found to contemplate substantially the same attributes as are intended when the word 'domicile' is used, and a permanent and fixed character is intended."

"...an actual resident has been held to be one who is in a place with the intent to establish there his domicile or permanent residence."

The opinion goes on to say: "...the acquisition of a local address solely for the purpose of claiming it as a residence as a requirement of public employment must be viewed as a subterfuge designed to avoid the obvious objectives of the ordinance. What is required is that the employee actually dwell at the purported residence, not that he have a mailing address at which he may on occasion spend some minimal amount of time, while, for example, his family lives outside the city and his children attend schools outside of the city in which the employed parent purports to reside."

Most recently, the Illinois Supreme Court, in upholding the City's residency requirement, described actual residence as a person's "true, permanent home" and "principal residence [and] domicile."
